

SWATTING THE FLY

Ed Silvoso, founder of Harvest Evangelism, tells the story of a pastor who was walking along the seashore. As he was trying to enjoy the scenery a swarm of flies began bothering him. There is a spiritual truth here, the Lord said. Understand the life cycle of the fly and you will begin to understand how to get rid of the negative spiritual issues in your life.

Upon investigation the pastor found that the life cycle of the adult fly is 21 days in the summer. The larva stage of the fly is a few days and the pupa stage is three to seven days. The truth then became clear. If you can get rid of a fly and its offspring, then the cycle of the fly's generation is broken and you will be rid of all flies.

The Lord the told him to proclaim truth for forty days. Specifically he told the pastor to take an area of your life in which you want freedom. Find forty key biblical verses in that area and proclaim them as truth for forty days.
