What People Are Saying About AJoyfulCreation.com's Bookmarks:

- "We are writing this letter to express what a blessing the bookmarks... have been to us. We have used them as favors/gifts for the ladies attending our Women's Ministry Koinonia Fellowship Dinners and given them to our group leaders as a small thank you gift. One of the ladies in the Over 50's group at our church received one, and liked it so much she asked us if she could have 50 more to give out at the Over 50's Dinner! We have also had the opportunity to minister to patients in the hospital by encouraging them with Scriptures printed on the bookmarks. That is what we love the most about the bookmarks - they are all God's Word. They have been a wonderful ministry tool and a very practical, encouraging gift to those who have received them." Women's Ministry Office - Calvary Chapel of Philadelphia
- "We are looking forward to putting these bookmarks on the pillows at the Retreat for all the attendee's. We are asking the Holy Spirit to show us just which one would be good for each person." Bernice- La Mesa, CA
- "The Chaplains were very please to find them (the bookmarks) in their office and felt they would be wonderful to give to our patients. We are anticipating the opening of our 'meditation room' for patient and visitor use within the next couple of weeks. These will be a lovely addition to make available for them to take." Judy - CA
